Dear Mr. Proby:

Thank you for letting us come to the amazing Emergency Operation Center. It was amazing experience and it was amazing to get to sit in the actual seats that actual people sat in when a real emergency happened. It's cool to be the first elementary school to go there it also helped me work together, even when it gets tough. Hurricane Fred was hard but we got it done. It was fun. It was nice to get to learn about the natural disasters that occur. The EOC is my favorite field trip.

I hope to get to go there again.

Sincerely,
Hakeem Russell
